How did you hear about ARM USA's 50 Caliber Shoot? _____

Shooter must initial each statement to indicate complete understanding and agreement with each provision. All information requested must be filled out completely.

_____ I hereby voluntarily choose to participate in ARM USA's 50 caliber shoot. I understand that I may choose to discontinue shooting at any time.

_____ I understand that 50 caliber rifles are extremely powerful weapons and can be deadly if used improperly. I hereby assume the risk of all dangers associated with shooting ARM USA's 50 caliber rifles, and hereby release ARM USA from liability for all costs, including attorneys' fees, settlements and/or judgments incurred as a result of the shoot.

_____ 50 caliber rifles, as with any high caliber rifle, have a sharp recoil that jars the body. Existing physical defects may be aggravated or exacerbated by the recoil of these rifles when fired. ARM USA assumes no responsibility or liability whatsoever for any injuries sustained by 50 caliber shooters. **Shooters shoot at their own risk.** I hereby certify that I have no physical defects or back problems which would be affected by shooting 50 caliber rifles.

_____ All shooters and spectators must wear **eye and ear** protection at all times on or near the range. **You may not shoot or watch without them.**

_____ I will obey all range officers and ARM USA personnel at all times.

_____ I understand that ARM USA may be photographing the event (still and motion images). All photos become property of ARM USA and may be used by ARM USA for whatever purpose ARM USA deems appropriate. I understand I will not be compensated should ARM USA use my face or likeness for any purpose, nor shall ARM USA be liable for any harm sustained by virtue of use of such photos.

_____ By signing you certify that you have no health problems that will be aggravated by shooting these rifles and that you will hold harmless and indemnify ARM USA and Angeles Ranges from all costs, including attorney's fees, settlements and judgments incurred as a result of shooting the 50 caliber rifles.

I agree to shoot 50 caliber rifles at my own risk.
